We have a Mcdonalds, Aldi and Costa all within 5-10 minutes drive from this location already. The traffic has only just settled with the opening of the Lyminster bypass and this will push it all back into that area again. Availability of unhealthy, fast food is already more than required in the area. We really don't need any further access to these. What is required locally is improved medical services and access to a wider range of clothing stores.

Your views as made above will be considered before the application is determined.
