OWPC76732

Happy for this to go ahead but please consider the following: 1. Buildings that back onto Kingley Gate only used for storage or must be insulated against noise and air pollution. 2. 15m gap between Ernest Fitches Way and new buildings does not feel big enough for the amount of animals that are already living on this site. 3. Due to recent events in Oxford, is the 15m gap big enough to keep the houses safe in the event of a fire etc.

Your views as made above will be considered before the application is determined.
