OWPC76739

The proposal to add yet more retail space on a road infrastructure which is already well beyond capacity is beyond belief. The A259 which passes this area is already stationary from the Bognor direction well beyond this proposed development at all daylight hours, especially in the summer. The current site is attractive to anti social behaviour with clear signs of illegal activity, this problem will only worsen with somewhere for the guilty parties to congregate. There is already a Mcdonalds, and costa 2 miles away at crossbush and look at the state of that during busy periods - more overloaded transport networks, rubbish and anti social behaviour. We simply do not need another one so close, its clear profiteering and nothing more

This area needs to be developed into something useful, Doctors, dentists, community facilities.

The NHS already cannot cope with the effects of fast food, poor diet and such lifestyle - why is the local council supporting more of this.
