We are largely in support of the development in Wick as it will offer new facilities for our staff to use in their free time. We have a concern about the potential for litter arising from the new retail elements of the proposal and this impacting the road parallel to the "west" development (end of Henry Lock Road). This road is unmanaged and blocked off to traffic. The retaining walls on-site are being kept, however, these are only of a height of 1-1.5m and would not offer the required screen for litter. Please consider improving the retaining walls or offering a way to mitigate litter before progressing with plans. Our suggestion is to enhance the current fence or add additional hedgerows, local litter picking would also suit

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. The website is updated once a day in the evening so it may take up to 24 hours for it appear on there. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must
