OWPC76926

Traffic would increase dramatically along the A259 due to MacDonalds and shoppers at the proposed supermarket.

MacDonald bring nothing positive, they produce unhealthy junk food that feeds the obesity epidemic in this country. People queue up and cause congestion and obstructions wherever these drive through MacDonalds are situated. The A259 is a main road through Littlehampton and this will clog up the already busy road. Man people will be effected by this, including us who use the New Courtwick Lane to get out. MacDonalds produce tonnes of litter that ends up everywhere, it really brings nothing positive to the area.

Your views as made above will be considered before the application is determined.
