Dear Sir/Madam

The Town and Country Planning Act 1990 (as amended)

Change of use of small area of Public Open Space land to temporary sales car park
area to serve plots 393

Eden Park/Elysian Fields Worthing Road Toddington Littlehampton

Thank you for your internet comments of objection made on 21st April 2009 and recorded as follows:

Littlehampton Town Council object to this application as there is already parking available on the site and the objection is to the temporary loss of Public Open Space.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
