

General Notes:

Do not scale dimensions from this drawing, unless for Planning purposes.

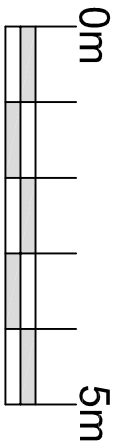

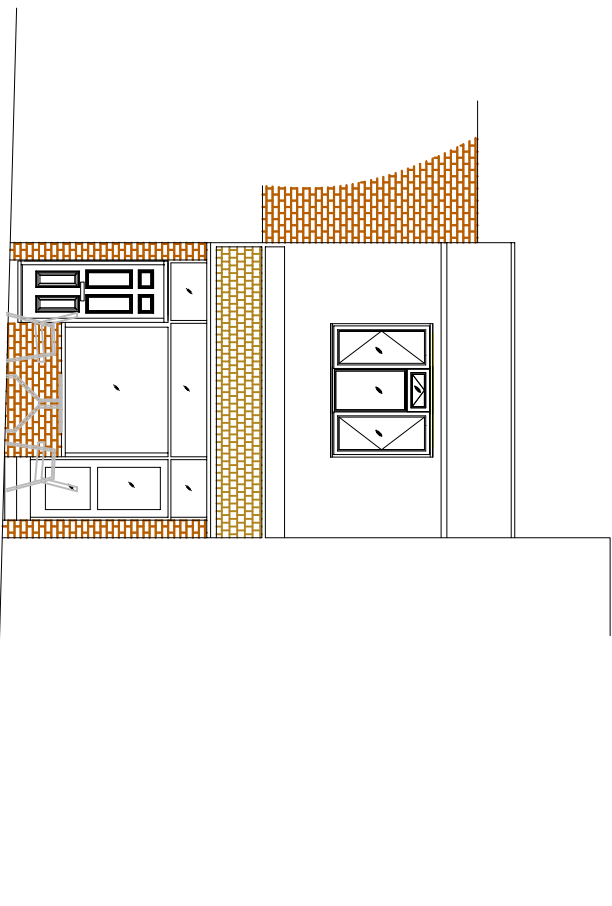

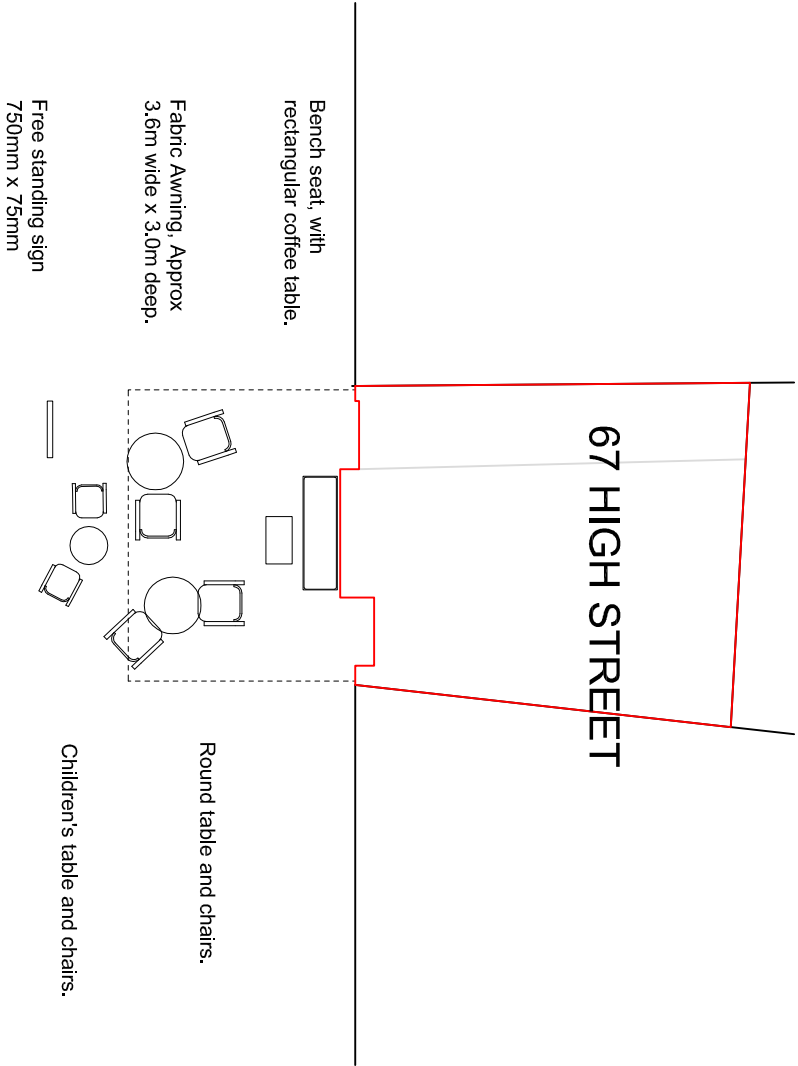

The Contractor is responsible for checking all dimensions on site prior to commencement of the works.

This drawing is to be read in conjunction with the specification.

GENERAL SECTION

EXISTING ELEVATION

1:100 Scale bar

PROPOSED ELEVATION

|                                                                                                                                                                                                                                                                                                        |  |  |                                                                                        |  |                                    |                            |                        |
