Carmine

As I expected its about getting a licence which has a fee attached. That is you need 2 separate approvals. Planning approval and a licence from Highways to place tables and chairs on the highway.

If you want me to complete the form and send it back then its extra to the planning permission already obtained.

I will write separately on this.

Regards

Brian

Dear Mr Elstone,

A colleague has passed me a copy of your email regarding the above.

I am unsure whether it is actually intended for Arun District Council as the Local Planning Authority. If so, their email is planning@arun.gov.uk

If the intention is to secure a license from the Highway Authority for your client to place tables and chairs on the highway, application should be made as directed on the County Councils web page, link here - <https://www.westsussex.gov.uk/roads-and-travel/highway-licences/tables-and-chairs-licence/>

For clarification, a licence to place items on the highway is required regardless of whether your client needs planning permission.

Kind regards
Gail Rowley

Good morning,

We have been advised to contact yourselves for approval to alter the planning approval LU/76/18/PL, which is for 4 Tables with chairs outside the above to 6 Tables with chairs

I have attached our revised drawing for your information.

Your advice in this matter would be appreciated.

Kind regards
