Dear Simon,

Comments from Martyn (Conservation) and from our Landscape Officer are outstanding. I will give both a bit more time and chase next week.

I have just realised that because our admin team initially incorrectly classified the app as a minor, we did not therefore consult WSCC Drainage (the LLFA). We consult them on all major apps whilst our own engineers (who have been consulted) only comment on minors. I will ensure this is sent out today.

Kind Regards

Simon
