Dear Simon,

I spotted that the time period was incorrect so asked Admin to fix it. I guess it was too much to ask for them to reprint the initial letter. Anyway, the revised determination date is 29/07/25. We have requested further conservation officer advice only.

Kind Regards

Simon

Hi Simon

Do you have a target determination date for the application? It appears to be registered as a minor / 8-week application, so I have advised Premier Inn not to go by the date given in the validation letter. I suspect it will be guided by committee dates assuming it needs to go to one...

Are you expecting any design/conservation comments over and above what has already been discussed at pre-app stage?

Thanks  
Simon

Thanks Simon.

Yes, I'd spotted and was expecting that. The surveys area booked in so I'll forward across the report once they have been completed.

Thanks  
Simon
