Please ask for:

Technical Support Unit on extn. 37711

12th March 2019

Dear Mr Martin Youldon

Development:

Willow Tree (Salix Contortosa) T1 - size to be reduced by 50%. Tree is in close proximity (1m) to neighbouring property and has grown taller than the neighbouring property. Concerns of property damage if there is a storm. Tree is too large for size of garden. Causes excessive shading.

Eucalyptus Tree T2 - size to be reduced by 50%. Tree is in close proximity to our property (3m) and branches are almost touching neighbours property. Further growth will also affect performance of solar panels and TV reception. Tree water uptake is high causing dry patching of grass. Excessive shading caused due to height and size of tree.

Location:

22 Camelia Close Littlehampton

Thank you for your application submitted via the internet on 11th March 2019. It is being dealt with by the Technical Support Unit and has been allocated the reference number **LU/77/19/T**. We will contact you shortly with further details.

For details on how the Council will deal with your data, please refer to our privacy notice called Privacy statement planning application on the website www.arun.gov.uk/planning-privacy-statements

This letter does not confirm validity of the application/documentation submitted.

Yours sincerely

Miss N Spencer
Technical Support Unit Officer
