Dear Mr Sonntag,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application for Planning Permission

Development: Change of use of ground floor of existing building from light industrial (Class B2/E) to residential (Class C3), to be used as ancillary accommodation including workshop, games room and utility space, with all habitable accommodation located and expanded on the first floor. This application affects the character and appearance of the Littlehampton River Road Conservation Area and is in CIL Zone 4 (Zero Rated) as other development.

Location: 49 River Road Littlehampton BN17 5BZ

Thank you for your recent application which I received on 25th April 2025. It is being validated by Mrs D Johnson who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a valid application until the following item(s) have been received or resolved :-

Design and Access Statement

This application requires a Design and Access Statement. Please refer to the Validation Requirements List for further information on what needs to be included in this statement.

Please show the roof lights on the existing and proposed first floor plans.

For further detailed information on validation requirements please go to our website and refer to the requirements list for this type of application: <https://www.arun.gov.uk/making-a-planning-application>
If you are unable to access the website, please contact this office so a copy can be sent to you.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material

consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

If providing additional documents or information, please email it to: planning.responses@arun.gov.uk with a covering email clearly explaining what is being provided. Do not resubmit it via the planning portal as we receive all the original information plus any amended information and it is not clear what has changed. Please provide the above by **12th May 2025** or your application will be closed as incomplete and where a fee has been paid, I will retain £40.00 (or the entire fee, if less than £40.00) to cover the cost of administering the return. If you have difficulty meeting this deadline please contact the above officer to agree an extension to this time scale. Once the application has been closed, you will need to submit a fresh application if you still want to proceed.

Yours sincerely

Neil Crowther
Group Head of Planning
