Hi Christopher,

Thank you for your comments. Just to let you know that there is an objection regarding noise. I assume I can take your 'no comment' to mean that it is considered that there would not be a significant increase in noise by an increase in 12 children at the nursery?

Thank you

EH comments in relation to LU/79/18/PL

Having now evaluated the proposed development and formulated my conclusions I would state that based on the requirements of the NPPF and NPPG, this development falls into category 1 (below):

1. **No comments**
2. ~~Conditions or Informatives requested~~
3. ~~Refusal recommended~~

Kind regards
