Dear Mrs Chapman

Re 55 BELLOC ROAD WICK BN17 7EZ

Further to the approval of LU/525/19/HH dated 9 Dec 2019 my client as instructed me to submit a Revised & Application to transfer the proposal.

To this end I enclose the new planning application together with supporting documentation

As you can see the the proposal remains within the 45° stake line & any previous overlooking has been addressed,

If you foresee any problem with Regulations or opposing the Proposal, please contact me to discuss.

Many Thanks
