Hi Michael,

Thank you for consulting the Environment Agency on the above discharge of condition application.

According to our records we did not request this condition. Therefore, we will not be providing any comments.

Please be aware I work Part Time hours and will be available Monday, Tuesday, and Wednesday, only. If you have any urgent enquiries outside of those hours please email [REDACTED]

Due to the ongoing situation surrounding Covid-19 we have assessed the type of work we should be focusing on as a priority, ensuring we are working towards achieving our long terms goals:

- A nation resilient to climate change
- Healthy air, land and water
- Green growth and a sustainable future

Following government guidance many EA staff are working from home, which can bring with it certain challenges, such as access to emails and other IT systems, this coupled with changing working patterns means we are not in a position to offer the same level of service we have in the past and may be unable to respond to any queries or consultations within normal timescales.

We thank you for your understanding at this difficult time.
