Subject: RE: LU/7/21/DOC- Worthing Road allotments, Littlehampton

Dear Michael,

Thank you for your e-mail.

In relation to the above application and as previously advised, LEAP Environmental Ltd.'s Phase I Desk Study, Site Reconnaissance and Phase II Site Investigation Report (ref.: LP2350, dated October 2020) is considered sufficient to satisfy parts 1-3 of condition 4 of LU/334/18/PL. It is recommended, however, that the condition should not be discharged in full until the groundworks have been completed.

Many thanks,

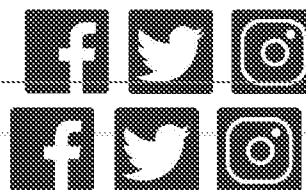

Kate.
