8. Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make:

Provision of 5 No. controlled parking spaces for carers with children leading to a reduction of overall parking provision of 2 spaces.

Provision of a contained gravel access route from the new leisure centre service road to the existing railway crossing point to provide service access to the golf course. This will provide a fixed hard surface to a route that has been used by the Parks Department for some years, ensuring that vehicles follow a specific route and minimise any impact on adjacent soft planting.

Reuse existing light poles to car park and minimise new lighting to the service road.

Are you intending to substitute amended plans or drawings?

☒ Yes

☐ No

If Yes, please complete the following:

Old plan/drawing number(s):

3519(08)013revE GA Site Plan

New plan/drawing number(s):

3519(08)013revF GA Site Plan

Please state why you wish to make this amendment:

The car park change is proposed to ensure visitors with young children can access their cars with greater ease and therefore for the centre to be most accessible to all sectors of the community.

The hard surface route will ensure vehicles follow this predetermined route for safe access in all weathers and reduce the impact on adjacent soft landscape (grass).

Re-use of existing light poles to reduce disruptive works in areas in use by the public and minimise the lighting to the service road to a level that provide for safe access and minimise light spillage as shown on accompanying drawing E531-M&R-V4-00-DR-E-0631 revision RD.
