Dear Mr Bryant,

Section 96A of the Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended) - Article 10

Non-material amendment following the grant of reference LU/314/16/PL for provision of 5 No. controlled parking spaces for carers with children, contained gravel access route from new leisure centre to existing railway crossing and reuse existing light poles to car park. Littlehampton Swimming & Sports Centre, Sea Road, Littlehampton,

I refer to your recent application for a Non Material Minor Amendment.

Non-material amendments are considered to be those changes which are insignificant and do not change the intensity, form or description of the original planning permission. They cannot change the intensity of the original planning permission, result in a change to the description of the application or conflict with any conditions of the original permission.

From the information submitted I am able to take the alterations detailed namely provision of 5 parking spaces for carers with children, gravel access to railway crossing and reuse of existing light poles to car park as a Non Material Amendment. Drawing numbers (08)013 rev F and E531-M&R-V4-00-DR-E-0631 have therefore become the approved plans for planning approval LU/314/16/PL.

The reasons that these proposals have been accepted as Non-Material Amendments is because they would not warrant re-consultation with neighbours and do not involve any increase in length or width of the proposal and they can therefore be considered under section 96A of the Town and Country Planning Act 1990.

From the information submitted I am able to take the alterations as a Non Material Amendment to LU/314/16/PL.

I trust this information is of assistance to you.

Yours sincerely

A handwritten signature in black ink, appearing to be 'NC' with a flourish, followed by a period.

Neil Crowther
Group Head of Planning
