Dear Mr Murray,

I am the officer on your application LU/81/18/HH at 31 North Ham Road and I have just received WSCC consultation, in which additional plans have been requested.

An additional plan demonstrating the size of any proposed hardstanding area is required. It is advised that 2.4 x 4.8 metres of hardstanding is required to fully remove a vehicle from the carriageway / footway.

I therefore ask whether I can request these plans and I also write to ask for an extension of time until 15th June 2018, this allows for the supplementary plans and for me to re-consulate WSCC with the new plans as requested.

Please let me know if you agree to this.

Thank-you

Kind Regards

Amber Willard
