Hi Maria,

Ok I'll let my client know. Are there any changes that you would recommend that will help get it through before it's refused?

Regards,
Paula

Hi Paula,

Thank you for your prompt response.

I am sorry but this application is recommended for refusal.

The proposed extension would not pass 45 degree test and if you check the history of this site, similar proposal has been refused; that time it was two storey extension but first floor part was of the same scale as currently proposed with a different roof only.

Kind regards

Maria

Hi Maria,

I confirm the extension of time to the 10th June.

Can you let me know if you will be likely to be recommending an approval or refusal?

Regards,

Paula
