For the attention of Mrs D Johnson

Thank you for your emailed letter dated 31 March 2020. I can confirm that the rear windows have indeed been shown correctly both on the plans and elevations. There are two windows serving the existing WCS, and between these there is a solid panel infill. This is as shown on the attached photograph.

I trust the application will now be able to be validated, but please let me know if you have any further comments or questions.

Phil.
