Dear Ms Tomalova,

I write in reference to application LU/86/22/PL - 46a and 46b Pier Road, Littlehampton.

Thank you for your letter dated 4th April 2022 confirming the application has been validated.

I write to advise the site address included on the attached letter and on your online register is 46a Pier Road, Littlehampton, BN17 5LW, however, the full and correct address for the site is 46a and 46b Pier Road, Littlehampton, BN17 5LW.

When submitting the application via the Planning Portal, it would not allow us to include this as the address, it would allow us to include 46a only. In order to avoid any confusion, I write to enquire if it would be at all possible to amend the address line on your file and also your website to ensure the correct address is shown and also consistent with our application submissions? I have attached an amended application form in case this is required.

I hope the above is ok, however, if you require any further information, please do not hesitate to contact me.

Kind regards,
Kelly
