Dear Mr Cox,

Thank you for your email, this will allow me to process the application and issue a decision as quickly as possible, hopefully this will be before the 17th of May.

I have found that in a majority of cases the Arboriculture officer quotes the British Standards.

Yours sincerely,

Zac Denton

Dear Mr Denton

I am happy for this amendment to be made to my application for the TPO'd tree at 46 River Road/43 Pharos Quay.

I trust that this will ensure the application is processed by Wednesday 17th May when the full eight week consultation process is complete as my customer will be very upset to wait another eight weeks now that the tree is in leaf.

For future reference can you tell me if your arboriculture officer requires BS3998 to be quoted on all tree work applications as this is the first time in thirty years of tree surgery I have been asked to quote British Standards?

Yours sincerely

Peter Cox

Dear Mr Cox,

I have just received comments from our Arboriculturalist regarding your application for works to a TPO'd tree at 46 River Road/43 Pharos Quay.

As it stands, the application is going to be refused, however, the Arboriculturalist has recommended amended works as follows:

- I suggest that the applicant re-submits seeking a 4m crown lifting operation making all final cuts in accordance with BS3998 recommendations.

Do you accept the change of proposed works?

Please reply within a week so I can change this for you.

Yours sincerely,

Zac Denton
