Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/88/20/PL
Site Address: Lifeboat Station Surrey Street Littlehampton BN17 5BL
Description of works: Installation of breathable membrane & battens to the render & overclad the whole of the southwest facade with grey composite cladding planks. This application may affect the setting of a listed building & may affect the character & appearance of the Littlehampton River Road Conservation Area.

Thank you for your internet representation made on 11th May 2020 which has been recorded as no objection with the comments as follows:

OWPC26829

The Panel do not think the cladding will harm the Conservation Area and note four houses in the newish development on the river have this cladding and feel it is quite acceptable.

Your views as made above will be considered before the application is determined.
