Dear Mr Wood,

I have left you a further voicemail this morning regarding this matter.

Further to the LDC received on the 30th April and the subsequent telephone conversation and emails, we have still not received a corrected decision notice for this application at 10 Grand Avenue. As we are now almost 3 weeks since I first raised this issue, I'm becoming frustrated to have to continually chase for this. The information on the map included with the issued Arun decision notice is incorrect and does not relate to my clients property, surely it's a simple administrative task to correct? however, it is now holding up my clients intention to commence extension works.

Please can you provide me with the corrected Decision Notice.

Regards,

Simon Harvey

Dear Mr Wood,

Further to my email below and our telephone conversation earlier in the week, please can I ask for the decision to be re-issued with the corrected site plan relating to no. 10. My client is eager to start as soon as possible and would like the correct paperwork before doing so.

I await the corrected notice.

Kind Regards,

Simon Harvey

Dear Sirs,

Thankyou for confirmation of the LDC for 10 Grand Avenue. Which is great, however I notice that the location plan outlined is for the wrong property. My clients address is next door to the left. Please can I ask that the plan be updated to accord with the application address for number 10 and re-issued.

Kind Regards

Simon Harvey
