Arun District Council

Mr.A.Wood,

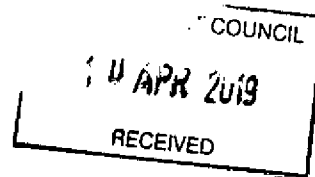

Planning department

Civic centre

Littlehampton

West Sussex

7/4/19.

Dear Mr Wood,

Ref:Lu/91/19/PL

Regarding the above application. We wish to object for the following reasons

Sites C & E

This will create a significant narrowing of the promenade & present a safety risk to the public using the promenade. e.g cycling, pedestrians & the road train. It increases risk of accidents particularly at busy times.

Impacts on the appearance of the open nature of the walkways of the promenade & thereby alters the character of the area.

Site D

Loss of coach parking will impact on tourism, Business & block the roads even more around the seafront where they try to park on streets in the area

Yours Sincerely

Kim & Dave Ward

Owner & Operators of Littlehampton Seafront train.
