Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Change of use of parts of seafront for temporary food & drink outlets & other seaside uses together with associated temporary/portable structures & equipment for use by businesses associated with those outlets.

Various sites along Littlehampton Promenade Littlehampton

Thank you for your internet representation made on 15th April 2019 which has been recorded as '**an objection**' with the comments as follows:

Dear Mr Brown,

I am writing with objection to the recent planning to possibly take place upon Littlehampton seafront.

I believe such "takeaway trucks" will only clutter the perfectly peaceful prom and cause further issues such as litter, noise, pollution and restricted space on the prom.

Will this also not cause health and safety issues such as the long serving train that only has a little space to travel in let alone with queues of pedestrians, and how are these "takeaway trucks" safely going to embark and disembark from a crowded beach safely?

And even the thought of alcohol being served in such a public location around families and children is just asking for bad anti social behaviour which is already a problem for the town centre. It is not an environment where the level of alcohol consumed can be managed and right to not serve in place.

Also the loss of the coach parking at banjo road how are day trippers who bring custom and tourism to Littlehampton able to plan a holiday without a SAFE pick up and drop off point?

So just to outline I think this is an idea which will turn our picturesque beach into something of a cheap fair ground keep to the lovely family run business at the west end of the prom with beautiful seating to enjoy your lunch and the other cafe at the east end of the prom with equally nice seating. These business have been around for as long as I can remember and do a good job at looking respectable and keeping our beach clean when their business day has ended.
