Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Change of use of parts of seafront for temporary food & drink outlets & other seaside uses together with associated temporary/portable structures & equipment for use by businesses associated with those outlets.

Various sites along Littlehampton Promenade Littlehampton

Thank you for your internet representation made on 18th April 2019 which has been recorded as '**support**' with the comments as follows:

Dear Sir or Madam,

I am writing to you to express my support for the proposed plans for the change of use of parts of seafront for temporary food & drink outlets & other seaside uses. In fact, I would be in favor of seeing these plans extended. It would be great to see areas for various watersports facilities and stalls for local artisans.

I've noted that a number of local business owners have objected on the grounds of increased competition, but I feel that these objections are rather short-sighted. There needs to be more to do in Littlehampton, particularly along the river and seafront. If more visitors can be attracted to Littlehampton, all businesses will benefit.

Littlehampton has an amazing beach and seafront, but it is completely underutilised. My only concern refers to 'Site D' as coaches will still require suitable places to park. Especially if the plans result in more coach trips.

I can also see these spaces being used out of season for special events e.g Christmas markets.

If feasible, use of these spaces should be allocated to local traders, rather than those from outside the area.

Kind regards,

Jeff Driver
