Dear Sir,

Re: Planning Ref. LU/91/19/PL

We wish to object to the proposed development of Littlehampton Seafront for the reasons listed below;

1. This will have a major impact to the permanent current kiosk and local restaurant businesses who already suffer financially if weather is inclement, the addition of "Pop up" kiosks will put their businesses at further risk.
2. The loss of Bandjo Road coach park will increase the risk of serious accidents, impacted traffic flow, and havoc and parking issues for local residents in South Terrace and adjoining roads if coach operators choose to allow passengers to disembark prior to parking in the designated area at the Leisure Centre.
3. The visual impact and the environment impact caused by unpleasant cooking odours.
4. The potential for excess litter which will increase the Gull infestation in the local area.
5. The safety impact regarding the seafront and promenade areas due to the narrowing of accessible walking areas as these walking area are already accommodating the promenade train service, disabled vehicles, bicycles, scooters, skateboards Etc.

Thank you,

Melvyn & Julie Huckell.
