Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Change of use of parts of seafront for temporary food & drink outlets & other seaside uses together with associated temporary/portable structures & equipment for use by businesses associated with those outlets.

Various sites along Littlehampton Promenade Littlehampton

Thank you for your internet representation made on 25th April 2019 which has been recorded as '**an objection**' with the comments as follows:

*I object to these poorly thought out plans. From a business point of view losing the coach park will have a detrimental effect on local business. Coaches allow for a quick,easy safe drop off and pick up point for up to 60 tourists per coach, these are vital to the area especially on quiet days. The viability of having more food outlets is questionable, when the long standing seafront businesses are there throughout the season, come rain or shine, will the food trucks just pull up on busy sunny days and take away trade? Littlehampton has always been a family friendly beach working hard on keeping the beach clear of litter and alcohol. Allowing new projects will affect the cleanliness of the beach and the potential sale of alcohol may deter families from visiting . The train, will lose space on the prom which is a safety risk. And how will the food trucks manoeuvre around the pedestrians on the prom safely ?
On a personal note I live on south terrace so not only will the food trucks add to litter and parking problems,it will bring noise and smell
I fear these plans will detract from the safe , clean and family friendly beach, both locals and tourists love.*
