Planning Application
LU/91/19/PL

Please record my objection to this plan. We have at Littlehampton one of the best sea views in West Sussex, surely this is why visitors come here.? They want tp play on the sand, swim in the sea, or just sit and enjoy the view and watch the world go by. It would be a terrible shame to spoil this scene with all sorts of "temporary food outlets".

Everything visitors need is already on hand. There is opportunity to purchase ice-creams, cups of tea, toys for their children and later if desired fresh fish and chips.. Amusements and train rides are also available. Enough is enough!

Mary Lees.
