Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Change of use of parts of seafront for temporary food & drink outlets & other seaside uses together with associated temporary/portable structures & equipment for use by businesses associated with those outlets.

Various sites along Littlehampton Promenade Littlehampton

Thank you for your internet representation made on 26th April 2019 which has been recorded as '**an objection**' with the comments as follows:

There are many reasons for my objecting to the proposed fast food outlets but I shall to be brief. Firstly it s not necessary. It will lower the tone of the sea front which to date is relatively unspoilt. we should not be encouraging people to eat yet more junk food nor consume alcohol. It will create noise, smell, pollution, mess and generally be unpleasant. The burger van vendors have no vested interest in littlehampton unlike the kiosks that are permanently on the sea front. It is unfair to these retailers who rely on very seasonal trade to make a living. It is wrong to deny the day trippers, often from deprived communities,the coach park. Leave the sea front as it is! People come to Littlehampton because it is unspoilt. It reminds them of their childhood as little has changed fundamentally. The atmosphere would change drastically if burger vans etc. Are allowed. Why spoil it? Why take it "down market"? These vendors will make the money and see the benefits. We,as residents will only gain the negative side of these fast food vans. I implore the council to rethink this and not allow food vans on our sea front. I know River ward is a deprived area but that is not a reason to spoil or trash what is a lovely part of,not only littlehampton, but the south coast. Please please please leave things just as they.
