Subject: LU/91/19/PL Additional Highways Response from WSCC

Morning Andrew,

I have received a letter from Harbour Park who are concerned over the loss of the coach park area (site D). It's not clear from the Design and Assess Statement if this is a permanent loss over the summer season or just on a few days. The Local Highway Authority would advise that provision for coach parking is made elsewhere to avoid these vehicles parking and blocking the highway. Additional temporary directional signage should also be provided, directing coaches where to park whilst site D is unavailable.

Kind Regards,
Emma
