Morning Andrew,

We would need to know roughly how many days. We would also expect to see alternative provision put forward by the applicant if they are removing all coach parking from this area. This should be demonstrated on a plan with some accompanying commitment to provided signage to direct the coach drivers.

Kind Regards,
Emma

Emma,

as I understand it the intention is to have occasional events. Would you require information on Alternative provision and signage for coaches?

Thank you,

Andrew Wood

Subject: LU/91/19/PL Additional Highways Response from WSCC

Morning Andrew,

I have received a letter from Harbour Park who are concerned over the loss of the coach park area (site D). It's not clear from the Design and Assess Statement if this is a permanent loss over the summer season or just on a few days. The Local Highway Authority would advise that provision for coach parking is made elsewhere to avoid these vehicles parking and blocking the highway. Additional temporary directional signage should also be provided, directing coaches where to park whilst site D is unavailable.

Kind Regards,
Emma
