Subject: Re: Planning Consultation on: LU/91/19/PL

I am replying in response to email received - see below.

I have numerous reasons for objecting to the proposal outlined in the email.
I am a resident and go along the sea front on a daily basis.

Having fast food vans etc parked on the sea front would have the most detrimental affect on what is now an unspoilt promenade and estuary.

We do not need them. There are perfectly adequate food outlets on the front. Burgers vans have no vested interest in Littlehampton and contribute very little to its economy. The vendors are the only ones who will profit. The outlets that are here have to struggle in the few months of summer to make their money and burger vans etc. would take trade away from them.

It will be a travesty to have temporary outlets on the front. The mess, the awful Smell, the noise and the obstruction they would cause would be totally unacceptable to locals and visitors alike.

The promenade is used by cyclists, small children on scooters and bikes, roller skaters, people in wheelchairs, the elderly on walking frames and day trippers. We do not have room for vans causing obstructions.

We should not be encouraging fast food vans when every day we are told we should not be eating it!

With regard to the coach parking bays. These are used by schools and day trippers some from abroad. Littlehampton sea front is pretty unique as the coaches can park up and visitors then can unload their blankets etc. on the green and spend the day here and some money in the outlets that are here permanently. Some of the visitors are from deprived areas in inner cities and to see their reaction to their first sight of the sea is a joy.

I hear that one of the sites proposed is by the head of the estuary, where the big white boulders are. I cannot bear to think what this will do to this area. Burger van on the white stone paving? The grease, the seagulls, the litter, the dropped food! NO!!

I hear visitors say that they love Littlehampton because it is unspoilt and not like Bognor Regis. It still has a charm and class about it.

Please leave the sea front as it is. We do not need the outlets marring what is now an almost perfect promenade.
