Sir,

Please find attached a letter which addresses the various issues which have been raised during this planning application. Please also find attached drawing 799-07. We trust this now provides you with adequate information to provide a suitable recommendation but please do not hesitate to contact me if you have any questions or require any additional information.

It would be very useful if you could please inform me in due course when the application is likely to be scheduled to be discussed at a planning committee meeting.

Thank you,

Phil.
