Subject: Pop up food and drink stalls on the Promenade at Littlehampton

Dear Sir/ Madam,

Further to the displayed planning notices for pop up food and drink stalls on the Promenade.

I must object most profoundly about this, I think that the Council has enough trouble managing the Rubbish during the spring and summer season as it is, let alone encouraging more and the added smells, and food waste would be an added nuisance to local residents.

This would encourage more problems from the Seagulls and other Vermin and would contravene the local councils efforts to stop people feeding the Seagulls etc.

Yours most Sincerely Mr P.Borrington, a disgruntled Granville road resident.
