Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Change of use of parts of seafront for temporary food & drink outlets & other seaside uses together with associated temporary/portable structures & equipment for use by businesses associated with those outlets.

Various sites along Littlehampton Promenade Littlehampton

Thank you for your internet representation made on 13th February 2020 which has been recorded as '**an objection**' with the comments as follows:

While most appreciate Council-led efforts to adapt & improve the promenade (as well as the challenges involved) I object to proposals like this that change the unique character of the LA seafront - I feel in an adverse way.

This was also the view the majority participating in a stakeholder consultation meeting ADC held a few years back with many interested Parties - an informal "Friends of Littlehampton Seafront" gathering if you like.

Instead more could be done to facilitate existing traders to serve and adapt to trends in visitor needs - building up (or on) the existing character of the Seafront in a linked up manner.

Maybe things like:

- Joined up day-use tickets for the Norfolk Gardens train and promenade train, with a view to better linking both ends of the promenade from the pier to the new kite surfing school/restaurant and Wave facilities in Mewsbrook Park - spreading opportunity and footfall;*
- Otherwise increasing "footfall for all" by marketing use of Stage-By-Sea where ADC or LTC might facilitate / encourage an initiative like a Friends of Littlehampton's Stage by the Sea to help volunteers market the space (beyond the static web page that is helpful does not really attract performers to the stage)*
- Or form a Friends of Littlehampton Promenade (or Seafront) to identify cooperative initiatives with existing entities / traders and opportunities to increase "footfall for all". And otherwise consider what temporary summer measures can work that add synergy rather than conflict or undermine initiative of existing traders.*
- For example, if there is interest the Freedom Leisure crew who manage the Wave and Windmill Entertainment Centre (with a Theatre group with lots of connections to performers) might be interested in hosting a "Friends of" and/or sponsor a practical entity to address opportunity & needs as they change over time, along with other existing traders and interested Civil Society Groups.*

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.
