

Consultee response

Afternoon Andrew,

On the basis of only half the coach park now being used and the option to direct further coaches to the Leisure Centre the LHA would raise no concern to the temporary application. If however the whole coach park was to be used the applicant must provide evidence of where those displaced vehicles would park and appropriate signage would need to be used in consultation with WSCC Country Highways Planning and our Area Highway Office.

Kind Regards,
Emma

Emma,

Arun District Council Consultation - LU/91/19/PL - Coach Parking

Further to your comments (email dated 24 April 10:27) relating to coach parking the proposal is now to just use half of the coach parking area and to direct overspill coaches to Littlehampton Wave Leisure Centre where there are 2 further spaces. The applicants would like to apply for temporary use throughout the summer season as a whole.

When further coach parking is identified, the rest of the site would be used following further consultation and approval from this Department.

Is this sufficient information for you to provide a comment ?

Thank you,

Andrew Wood
