

Amended Plans for upload to POM.

What is the procedure now for getting amended plans uploaded?

Thank you,

Andrew Wood

Andrew,

Please find attached a revised Design and Access Statement together with drawing 799-05B. I can confirm these documents now remove all references to sites C and E, which no longer form part of the proposals. The scheme now just comprises sites B and D. The submission should now just include the following drawings:

799-05B Site location and block plans site D.

799-04A Site location and block plans site B.

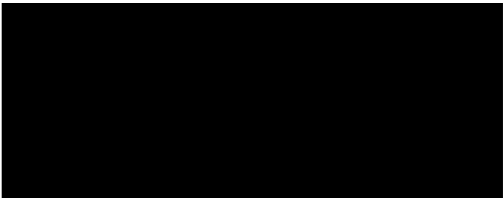

799-07A Site D site use.

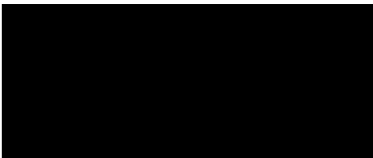

Drawing 799-06 (site location and block plan site E) no longer forms part of the proposals.

Thank you,

Phil.

Commended for East Barn, Whitley Manor Farm - conversion to commercial use

Sussex Heritage Trust Awards 2017

Highly commended for South Downs Bunkhouse barn conversion

Highly commended for new Hotham Park Café building

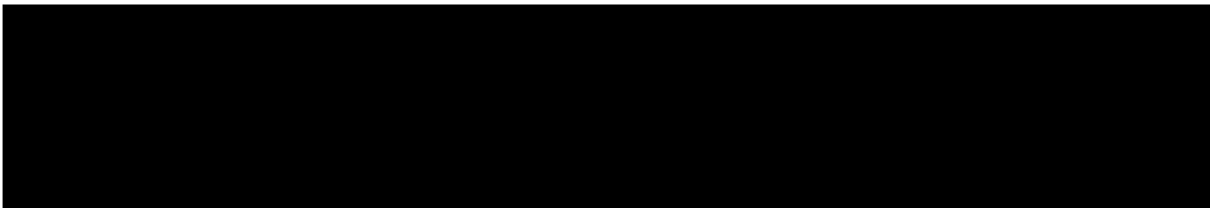

Phil,

We will need amended plans to show just sites B and D with all reference to sites C in particular removed. Site E was on a separate plan so the email is sufficient in respect to that site.

Thank you,

Andrew Wood

Andrew,

I understand from Caroline Gosford that sites C&E are now to be omitted from the proposals. Can you please confirm whether this email will be sufficient to initiate this amendment or whether you would prefer the documentation to be revised to reflect this change.

Thank you,

Phil.
