Subject: 210518 E 20208 rdv am Materials

Dear Amy,

Further to our telephone conversation I can confirm the following:

The roof will be flat and finished with a single ply membrane dark grey.

The two doors are the full length of the north and east elevations and will be fabricated of PVCu of a colour to match the existing house windows. The doors meet at a post which will be clad to match the doors.

The fascia will be boarded of a colour to match that of the existing house.

Kind regards

Richard
