I fully support this proposal.

Having a Marks and Spencer food hall in Littlehampton will be a fantastic addition to the town & it's surrounding areas. Some of the reasons for this are listed below;

- creating lots of jobs for the local community
- a fresh, alternative food selection store that is currently not available locally
- supporting local producers
- they support eco & sustainability

I hope this addition will be passed & the community will be so happy to welcome Marks and Spencer to the area.

All the best,

Sophie
