I totally support this proposal 100%. It's badly needed investment and the job creation for Littlehampton and will improve the area immensely. With the loss of the Body Shop and Amazon the Council will have to be totally stupid and a bunch of morons if they reject this proposal. With a proposed number of businesses moving in it would create several hundred jobs and the Council should realise this. There is NO REASON that your application should be turned down. I would happily speak in favour at a council meeting. I hope that they speedily vote this through unlike other sensible developments say the recent Harvester which they held up for over a year because of a couple of selfish NIMBYs. To the Council I say get this proposal the green light fast in order to improve the area. Do your job and vote YES.

Kind regards,
Paul Marsh
