I think this will be a tremendous boost for the local community of Littlehampton bringing more people into the town, especially if car parking is free, it Would give shoppers the opportunity to visit other Businesses in the town at the same time encouraging, more businesses to flourish from the location of the new store.

I currently live in Littlehampton, but work near Bognor, I regularly use the Marks and Spencer food hall at the Bognor Regis retail park to shop and use the click and collect, I will visit other stores near to the marks and Spencer's

while I am there.

Kind regards,
