I'm writing to express my strong support for the application for the proposed M&S store in Littlehampton.

I believe this would be a real benefit to the town and surrounding area. At present, the nearest M&S in Bognor Regis is very small, and the limited size means it does not provide the range that many residents would like. A properly sized store in Littlehampton, in line with what is being proposed, would better meet local demand and reduce the need for people to travel further afield for a decent range of M&S products.

I also particularly value the quality of M&S food. Having improved access to that quality and range locally would be a positive addition for residents, including families and older people who may prefer not to travel to larger stores elsewhere.

In addition, I welcome the new local jobs the store would create. More employment opportunities in Littlehampton is a clear benefit, supporting local households and contributing to the local economy.

For these reasons, I support the application and hope it can be approved.

Kind regards,
Ben Hampson
