Littlehampton resident for 20 years . I shop frequently at M n S food so already am customer. At least x1 a week . M and S food shop online also via Ocado

Demographic in wider area is affluent retirees and the M and S food model attracts this age group eg quality ,variety and portion sizes.

There are many new homes close to proposed site that will benefit from a food store close to them as currently there is only a Morrisons.

New use for abandoned site will bring more people to Littlehampton. Along with more employment.

2 new hotels being built so having an M n S store will benefit hotel users.

It will raise the profile of Littlehampton.

Kind regards,  
Judith Jones
