I support this application as I believe that it shall have a positive impact on the local community, economy and environment. This will create more jobs for people and usually I would travel to Chichester, Worthing or Shoreham (which are the nearest M&S shops to me) this would mean that I would not be travelling as far which in turn is better for the environment and more convenient

location. The site has been closed for a few years and this would be a great asset for our community especially as M&S offers great quality food which is difficult to find in other superstores.

Kind regards,  
Amy Bastable
