M&S food stores in West Sussex Are generally too small, cramped, and without good parking facilities.

Because of our health issues we regularly shop at M&S (free from gluten) but the stores are too small to carry their complete range which then causes us to travel a long way to larger stores.

A large store in Littlehampton would make our life so much easier.

More space in the store would make shopping easier (I am disabled) and safer.

The smaller stores are often crowded with stock trollies in the aisles which are a danger to all customers.

Additional space would make it easier to identify and select purchases.

We look forward to a better shopping experience, it can't come soon enough.

Kind regards,
Mike Edwards
