We love shopping in M&S and frequently do so however, having a store in Littlehampton would encourage us to do so even more. The current stores are a little harder to get too and we are often in Littlehampton visiting family and spending time down the beach making it even easier and likely to

spend even more time in Littlehampton as often if we require something from the store we would go to Bognor and then find something to do there for convenience

Kind regards,
Ashlea Charman
