My husband and I feel that an M&S Foodhall would be a super addition to the Littlehampton area. It would greatly increase food and drink choice. Giving residents in the surrounding area the benefit of the quality and range that M & S provide to the customers. It would also bring jobs to the area which is also a positive thing. There is a lot of new housing in the area and many of these new households

would, we are sure, enjoy the ability to enjoy M&S products in their local area. We give this proposal our unreserved support.

Kind regards,
Patricia Mary Wright
